Provincial Club Championship Pennant Race Launched at 35th Annual Peach Classic

April 20, 2017

Penticton: - Steve Brown, Race Director for the Peach Classic Triathlon and Allan Prazsky, Executive Director, Triathlon British Columbia are pleased to announce the inaugural Provincial Club Pennant Race to be held at this year's Peach Classic Triathlon. This year's event is also hosting the 2017 Provincial Sprint and Standard Triathlon Championships, as part of Penticton's 35th Annual [Peach Classic Triathlon](#), on July 16th.

Regardless of your ability, from seasoned competitor to entry level novice participants, the Club Championships welcomes every competitor, 19 years or older. Each registered, annual member athlete with TriBC accumulates points based on their age category, and are then contributed to their respective club's accumulated total.

Athletes need to add their representing provincially sanctioned club name during registration. Performance results from every athlete on a team will count towards the Club Championship in both the Standard and Sprint distances. Two Club Championship Pennants will be awarded in 2017: Division 1 Clubs, with 8 (or more) athletes participating in the 2017 Peach and Division 2 Clubs, with up to 7 athletes participating in the 2017 Peach Classic. A minimum of 3 clubs must be competing in each Division to be awarded a Championship title.

The only event where points can be earned for the Club Championship title is the [2017 Peach Classic](#). Only annual Triathlon BC affiliated Club Members are eligible to earn points for their club.

"We are really pleased to be selected to host this event for the first time in BC." stated Steve Brown, "The Triathlon Club Championships, are a hotly contested and popular title around the globe, and it makes its debut in BC right here in Penticton. This makes a really nice tie in with the Individual Provincial Championships. Obviously both organizations are hoping it will bolster memberships for clubs and affiliation with TriBC as well as additional registrations for the Peach Classic."
